

# Three Tray OrnamentKeeper™

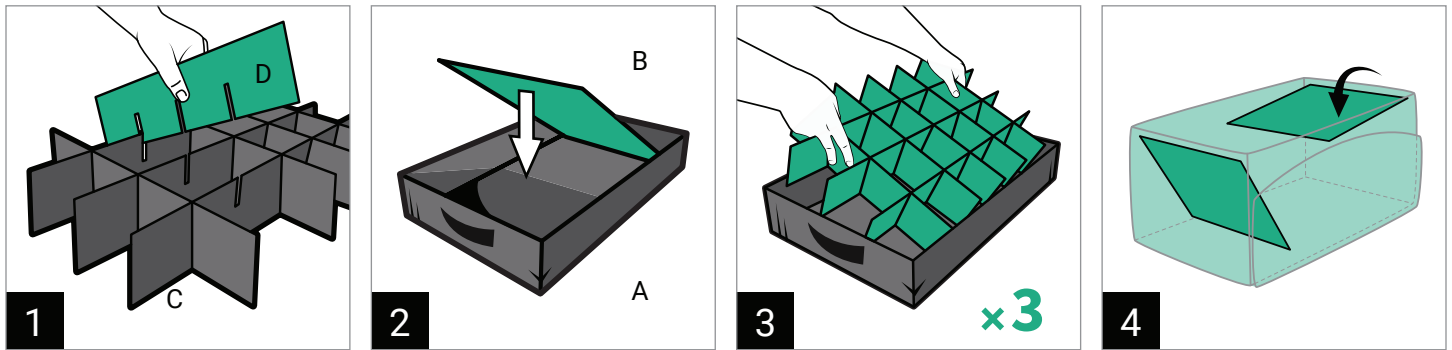

Model No. TK-10127 | Assembly Instructions

Please lay out all parts and read instructions prior to assembly.

## How to assemble your ornament storage bag

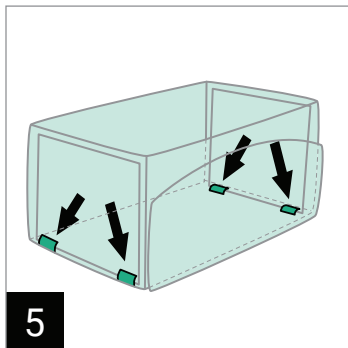

1 Assemble the dividers by crossing the long and short pieces.

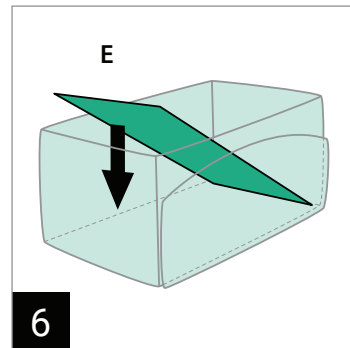

2 Unfold the tray and place the tray base inside.

3 Insert the dividers into your tray. Repeat until all trays are built.

4 Push the inner frame pieces fully outward to open your bag.

5 Secure inner frames with the four velcro straps in each corner.

6 Secure the bottom of your bag by inserting the base.
